

A Clean, Secure Energy Future for Maine & the Maritimes

Calais LNG Public Meetings

July 29, 2008

Washington County
Community College (Gym)
One College Drive
Calais, ME 04619

July 30, 2008

Woodland Junior/Senior
High School (Gym)
14 First Avenue
Baileyville, ME 04694

6:00 pm to 8:00 pm EDT

Calais LNG will hold two public meetings for the purpose of discussing the proposed construction and operation of a Liquefied Natural Gas ("LNG") receiving terminal and storage facility on the outskirts of Calais, Maine and a 20.5 mile (+/-) long pipeline from the terminal facility to the regional gas transmission line operated by Maritimes & Northeast in Baileyville, Maine. Both meetings will be attended by one or more representatives of the Federal Energy Regulatory Commission.
