

Speak Up for Calais!

Public Information Meeting

Residents and other stakeholders will have the opportunity to make public comments and ask questions about the Calais LNG project

“An LNG facility in Maine is a step in the right direction to making sure we can diversify our energy sources.”

Bob & Irma Howbrigg
Calais residents

Your voice matters!

New Jobs

Total employment will peak at nearly **1,000 jobs** during a 48-month construction period.

Economic Development

\$12 million in direct and indirect impacts throughout the Calais region.

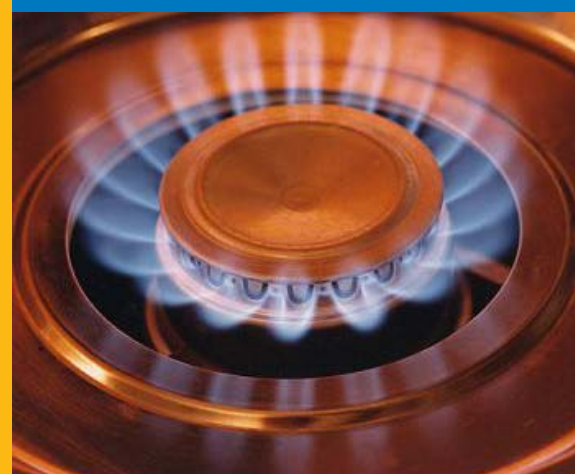

Clean Energy

Natural gas is the cleanest of all fossil fuels and minimizes climate change.

“Frankly, a lot of us see LNG as a bridge to our energy future.”

Vinton Cassidy,
Mayor of Calais

Tuesday, March 24, 2009
